What is the MIA?

The Migration Institute of Australia (MIA) is the professional association for Australian migration service providers worldwide, working together for the benefit of Australia. The MIA represents almost 2,000 registered migration agents who provide professional migration services to families, businesses and industries throughout Australia.

We liaise with government departments on behalf of our members, providing a forum for communication and a platform for submissions on aspects of Australian government immigration policies and programs. The MIA is also a leading educational provider for Registered Migration Agents, running over 200 Professional Development Seminars nationally each year.

It is important to note that you must be registered with the Office of the Migration Agents Regulation Authority as a Registered Migration Agent before you can provide immigration advice.
