## Migration Agents Reference Manual - Edition 9 (September 2009)

This manual has been designed by the MIA as an essential reference tool for practising migration agents. It has been adopted by all universities delivering the prescribed course as a required or highly recommended text. Fully revised editions will be prepared after the major legislative change periods.

- **Section 1 Key references** - Details of migration & other Commonwealth legislation, Gazette Notices & Legislative Instruments plus DIAC Fact Sheets, Forms & Booklets.
- **Section 2 Legislation, Table of Contents** - Consolidated listing for the Migration Act, plus the Migration Regulations, Migration Agents Regulations, the Australian Citizenship Act & the Australian Constitution.
- **Section 3 Glossary** - Defined terms, acronyms & abbreviations.
- **Section 4 Visa Tables** - Alphabetical & numerical listing of visa classes & subclasses + summary of Sched 1 data.
- **Section 5 MIA Standard Agreement and DIAC Form 990i/1121i** - Fees & Charges (hard copy version only)

## Australian Immigration Companion

This text book is a collaborative initiative of the MIA, FCG Legal & Victoria University's Sir Zelman Cowen Centre. It has been developed to help migration practitioners understand Australian migration law in a practical & real-life context. The book will be an invaluable companion for students studying the Graduate Certificate in Australian Migration Law & Practice. Practising agents & newly registered lawyers will find it a useful aid in their work & professional development.

- **Chapter 1** - An introduction to Australian Migration Law.
- **Chapter 2** - An overview of Australia's visa scheme & application procedures.
- **Chapter 3** - Scenario questions classified by migration theme.
- **Chapter 4** - Suggested solutions to the practical problems.
- **Appendices** - Legislative & other useful references.

## The Immigration Kit - 8th edition

The Immigration Kit is a comprehensive, step-by-step, plain language guide to Australia's immigration laws written by the Immigration Advice & Rights Centre (IARC) one of Australia's leading community based migration legal centres. It encompasses Australia's Migration Act, regulations, departmental policy & relevant case law in an easily readable style.

The Kit explains:

- how the immigration system works
- who can apply to come to or stay in Australia
- the distinction between permanent & temporary visas
- the rules & process for every visa
- challenges to immigration decisions & visa cancellation
- visa holders' obligations & entitlements
- the rules on acquiring & retaining Australian citizenship.

## IELTS Scores Explained - DVD

The DVD contains general information about IELTS as well as a detailed descriptions & samples of the 4 test modules for both the General Training & Academic tests. Migration agents will find the actual examples of candidates' Writing & Speaking performance at different b& levels very informative. These samples will enable agents to better understand what IELTS scores really mean & consequently whether their client's English language ability is at IELTS level 7.0, 6.0 or 5.0. Normally only available from the UK, the MIA has negotiated a special purchase with IELTS Australia so that we can offer this excellent reference tool to MIA members at a discounted price.
